

Herb Nutraceutical

Natural & optimum nutrition for your body

Brahmi

60 Tablets / Box

Brahmi is extensively used in traditional Ayurvedic medicine as a nervine tonic. The plant has been investigated in several laboratories for its pharmacological effects. A number of reports confirmed the nootropic action. According to the data, this plant can be used as a dietary supplement for memory enhancement. The clinical study showed that Brahmi could improve physical fitness and enhance memory in healthy volunteers.

Natureplex

6 x 10 Capsules / Box

Natureplex an All-Natural, It has been scientifically proven herbal extract as an immune enhancer. Natureplex compiling five traditional Thai herbs: *Randia siamnsis* Craib, *Combretum quadrangulare* Kurz, *Minmusops elegi* Linn, *Houttuynia cordata* Thunb, *Borassus flabellifer* Linn. Starting from a careful selection of raw materials, all the five herbs are attentively planted, reaped, processed, and produced, under assured quality control, into Natureplex capsules.

Besides, the all-natural Natureplex also contains high Potassium that will help to regulate mineral balance of the body.

Phytoplex

60 Capsules / Box

Phytoplex is an herbal folklore remedy which has been used to treat patients with mammary tumors. It has been demonstrated that Phytoplex stimulates the immune response via an increase in natural killer (NK) cell activity in tumor-bearing nude mice as well as in breast cancer patients. In addition, the extract demonstrated anti-angiogenic activity and led to decrease in serum VEGF levels in experimental animals.
